

At Mitsubishi, we build cars for those uncompromising souls seeking a driving experience that's all too rare in today's world. For those confident individuals who refuse to settle for less and who are searching for a car so responsive it goes beyond transportation to become an extension of themselves. Our Certified Pre-Owned program maintains those standards for each new owner who gets behind the wheel. We have reconditioned only the best Mitsubishi cars so you feel that same rare driving experience as the original owner. That same spirited performance, inspired design and durability continues year after year, mile after mile while under the Mitsubishi Certified Pre-Owned shield.

Not all vehicles have what it takes to become Mitsubishi Certified Pre-Owned. Only the best Mitsubishi models that are less than five years old, with fewer than 60,000 miles are eligible for certification. From there, they are thoroughly reconditioned using our 123 point inspection performed by a Certified Mitsubishi Technician.

The following models are excluded from Mitsubishi's Certified Pre-Owned program: i-MiEV, Lancer Evolution, Lancer Ralliart, Lancer Sportback Ralliart, and Raider.

Mile after mile, Mitsubishi Certified Pre-Owned vehicles extend that built-in assurance and durability with the following additional features:

- **Roadside Assistance:** Travel the open road with ease knowing your Mitsubishi Certified Pre-owned vehicle comes with 24-hour roadside assistance available across the United States for the duration of the Mitsubishi Certified Pre-Owned Limited Warranty, at no cost to you. The Mitsubishi Roadside Assistance Program covers you and all of your family members with valid driver's licenses.

Roadside Assistance includes:

- Unlimited mileage Roadside Assistance for the remaining balance of the 5 year New Vehicle Limited Warranty.
- Complimentary services for the balance of the 5 year basic warranty include:
 - * Battery jump starts
 - * Flat tire changes
 - * Gas delivery
 - * Vehicle lockout assistance
 - * Towing to the nearest Mitsubishi dealer
- Towing assistance for the remaining balance of the 10 years/100,000 miles Powertrain Limited Warranty from the original in-service date if the condition was due to a covered powertrain concern

- **Vehicle History Report:** As a part of the 123-point inspection process a Vehicle History Report is run on every Mitsubishi Certified Pre-Owned vehicle and includes such invaluable information as known repair and known accident history. This report is used to identify any vehicle that does not meet Mitsubishi Certified Pre-Owned standards.
- Great economical option for those who want to drive a Mitsubishi, while still having the confidence that the car has the following assurances:

- **123-Point Inspection**

Before any vehicle can be called a Mitsubishi Certified Pre-Owned Vehicle it must pass a rigorous 123-point inspection and reconditioning process performed by a Certified Mitsubishi Technician of a CPO enrolled dealer, in accordance with Mitsubishi's Certified Pre-Owned Program rules. This process is designed to test every aspect of the vehicle to ensure that it meets our CPO standards. Not every vehicle will pass.

- **Certified Pre-Owned Warranty**

When you buy a Mitsubishi Certified Pre-Owned vehicle, you receive an extra level of protection through our 10 year/100,000 mile Powertrain Limited Warranty. This warranty will cover the powertrain components listed (items listed in bold), for a total of 10 years, or 100,000 miles, whichever comes first. This warranty starts on the original in-service date.

From the original in-service date:

Manufacturer	CPO Powertrain Limited Warranty	New Vehicle Limited Warranty	Anti-Corrosion/Perforation Limited Warranty
Mitsubishi	10 Years/100,000 Miles	5 Years/60,000 Miles	7 Years/100,000 Miles
Toyota	7 Years/100,000 Miles	3 Years/36,000 Miles	5 Years/Unlimited Miles
Honda	7 Years/100,000 Miles	3 Years/36,000 Miles	5 Years/Unlimited Miles
Nissan	7 Years/100,000 Miles	3 Years/36,000 Miles	5 Years/Unlimited Miles
Mazda	7 Years/100,000 Miles	3 Years/36,000 Miles	5 Years/Unlimited Miles
Subaru	7 Years/100,000 Miles	3 Years/36,000 Miles	5 Years/Unlimited Miles
Ford	7 Years/100,000 Miles	3 Years/36,000 Miles	5 Years/Unlimited Miles

The 10/100 Powertrain Limited Warranty is only one part of the picture, since every CPO eligible Mitsubishi model originally came with a New Vehicle Limited Warranty of 5 years/60,000 miles and an Anti-Corrosion/Perforation Limited Warranty of 7 years/100,000 miles. Ask your dealer for complete details on the original New Vehicle Limited Warranty, Anti-Corrosion Warranty, and Powertrain Limited Warranty for the model and model year CPO vehicle you are considering.

- **Zero Deductible for Covered Repairs:** There is no deductible for covered repairs, and of course, service is available at any Mitsubishi Dealership throughout the United States.
- **Financing:** Once you have chosen the Certified Pre-Owned Mitsubishi that's right for you, you can discuss financing options with your Mitsubishi dealer. With Mitsubishi financing, driving away in your new Certified Pre-Owned vehicle is as easy as 1-2-3.

The 10/100 Powertrain Limited Warranty coverage is transferable. Subsequent owners of the CPO vehicle need to take the vehicle (within 6 months of taking ownership) to the Service Department of any U.S. Authorized Mitsubishi Dealership and pay a transfer fee of \$40 upon presentation of proof of ownership of the vehicle. The balance of this warranty will then be transferred to the new owner. All other remaining coverage terms are automatically transferable to subsequent owners.

Warranty. See the Warranty & Maintenance Manual of the applicable model and model year for a complete list of covered powertrain components and coverage details.
